## **INTERVIEW WITH THE RECTOR**

It was a great pleasure to be invited to 'The Rectory' to meet with the Revd David Burrell and his wife Sue. They kindly managed to fit me in over their lunchtime. We spent a very interesting couple of hours talking through a wide variety of topics.

Both are from East Anglia, David from Norfolk and Sue from Suffolk. They have known each other for many years, Sue's husband was a close friend of David. Sad events brought them closer together, Sue lost her husband to cancer and David's wife left the family to live alone and pursue a life looking after animals. Between them they have 3 grown up children, Daniel, Adam and Gemma and 2 chocolate brown Labradors.

David's first career was as a civil engineer, more precisely a 'Geo technician'. Towards the middle of the 80s a Sarcoma developed on his face this turned out to be a life changing event. He was admitted to the Royal Marsden where 9 operations were performed over 9 weeks. During this traumatic time he found that each night he would have a reoccurring dream of Jesus holding him close. He found this deeply reassuring and led him to explore a vocation within the church.

Having studied at Salisbury Theological College he returned to Bury St Edmunds to be ordained in 1988. He spent his first 3 years as the Curate at Ixworth, followed by 6 years at Haughly. David joined the Lark valley Benefice and worked there for the next 18 years.

It would have been easy to stay there longer but pastures new beckoned and drew him to this Benefice with 8 parishes and over 3000 people to minister. They have been here in the Benefice for 3 years and will stay here for another 7 years until retirement.

He is very involved with all schools in the Benefice and visits them regularly, leading children in worship and learning about the church and its place in the community. As a school governor he is on several committees including the Ethos committee at Wilby school.

Whilst chatting I wondered if there was a typical day, very quickly came the response, 'No one day is like the next!'. With 8 parishes there are 32 meetings a year of the PCC to attend, 52+ sermons and 6 magazine articles to write over a year, continual open house, visits to the sick at home, in hospital or care homes. Evenings spent organising weddings, funerals, blessings, christenings and other services. Add in all the regular meetings amongst various groups within the church and other denominations it makes for a busy time. Do they ever get time to themselves, not often

I asked him what he would like to achieve in his time here. With some thought he remarked that each parish was as distinct from the other with differing strengths and needs. With this in mind he hoped to strengthen the Benefice and leave each parish thriving. He believes his mission is to spread and explain the word of a loving and giving God. He himself says he is not here to judge anyone but to show people they are cared for and loved.

'The church is a home and should be embraced as such. You should feel as if you are 'coming home' when you enter a church'. DB

'You don't need to be a believer in God to attend church, for many it can be the starting point, everyone is welcome'. DB

## **LETTER FROM THE RECTOR**

At this end of year I tend to look back and think of all those whom I have met or come into contact with over the past year. I often think of those who give their time in the service of the church. I give thanks to God for all that you do and I would like to say it is very much appreciated. Without you there would be no life in the church and it would be a very sad lonely place.

You bring the church to life, you make it a clean welcoming place, you brighten even the darkest corners with flowers. You bring music and enrich our liturgy. Our wardens make sure the church is safe and maintained. Sides people welcome people to our services and the coffee makers refresh our visitors before they leave us. To name but a few.

In the course of your duties you could encounter a visitor who may be dealing with fears, anxieties and pain. Churches can be seen as safe places to come to for those of faith and no faith. If, for example, you were in church arranging flowers, cleaning or getting ready for coffee, visitors often speak to you. If they are in distress they may disclose some kind of neglect or abuse that they have suffered in the past or are continuing to suffer. If that happened would you know how to respond?

The Church of England nationally is aware of all that is being revealed in the media about abuse of children and vulnerable adults. Also because of an independent report that is being compiled, and will be out next March, it is taking steps to make the church a safer place for everyone.

So how can you become part of making the church safer and more aware? There is a new training course called 'CO' that is designed to get everyone to a point where they are able to deal with disclosure and know where to refer them. It can be done online and takes about an hour. The Church of England believes that the more people who have an awareness of what to do if they find themselves in a position of listening to someone revealing something that is happening or has happened to them, will make our church and communities safer for everyone.

Some of you will be asked to take this course personally but I would urge anybody, however fleeting your involvement with the church may be, to take it. All you have to do is go to the web site of The Diocese of St Edmundsbury and Ipswich, once on the homepage look for the link that says 'Safeguarding'. Hover the curser over Safeguarding and the dropdown box will have several options, you need to take Safeguarding training. This will take you to a screen that itemises all the training and if you scroll past this you will come to the place where you can make your choice. Click on 'CO' and follow the instructions, be prepared with your email address and be ready to make up or supply a username.

Once you have finished the course you will be able to print out a certificate. You will also be emailed a document that you should forward on to Veirginia Skoyles our administrator and she will keep a record of who has completed the course. vskoyles@hotmail.co.uk.

Thank you to everybody who takes part in the important endeavour and for being an active part of our church family in our villages.

David Burrell

### **Service of Music and Readings for Advent. Sunday 3rd December 6:30pm**

Our church will be bathed in candlelight to usher in this short church season of anticipation. Some have declared this to be their favourite service of the year. You can understand why within the mellow atmosphere of our delightful old place of worship as it is filled with wonderful music created by the congregation and The Chantry Singers. Along with some well known congregational hymns there will be choral offerings composed by Rachmaninov, Britten and Raison. Please do come and join us. You will not be disappointed.

### **Lessons and Carols for the Eve of Christmas. Sunday 24th December 6:30pm**

It is fair to say that the carol service is now a major event in the life of our village and it brings to our beautiful Place of Worship not only Brundish people but folk from far and wide. As families of the village gather to celebrate, your church will be waiting to welcome you through its doors as it has for a thousand years. It is, to so many, the only place to be on Christmas Eve. The Chantry Singers will be there, directed by Michael Spencer. Please do make a point of joining what is always a packed church. N. B. You are advised to get there a bit earlier to ensure a parking place. As always the church will be floodlit and the access will be safer on the churchyard path which has recently been equipped with increased lighting.

### **Christmas Midnight Mass. Sunday 24th December 11:30pm**

To mark the celebration of the birth of Jesus Christ, people from places far around unite on this most holy of nights. Whether you are confirmed or not, you are warmly invited to join us.

### **Readers and Flowers**

If you could donate flowers from your garden for the church flower arrangements, it would be a great help. If you would like to be a reader or help with the flower arrangements, contact Mig Bacon 01379 388808

## **St Ethelbert's, Tannington**

### **Carol Service. Wednesday 20th December 6:30pm.**

It has been some years since Tannington has had a carol service so this year is quite a special occasion for this simple gem of a rural church. The bells will ring out over the surrounding countryside to call the people of this tiny community to its place of worship to celebrate this most wonderful time of the year. All those of Brundish are strongly encouraged to join those of Tannington to swell the congregation for what promises to be a memorable occasion.

### Wilby Parish Council

#### Wilby goes for Neighbourhood Plan

Following public consultation, the Parish Council has formally agreed to proceed with the development of a Neighbourhood Plan for Wilby. Along with the Local Plan prepared by the District Council, the Neighbourhood Plan will help guide the future development and growth of the village, as determined by the community. Once approved as a statutory document, it must be taken into account by the Planning Authority (District Council) when planning applications are being considered.

In developing the plan and going through the various stages involved, the Parish Council will work closely with the community and in particular with those residents who have expressed an interest in helping with the preparation of the plan. The process is expected to take many months to complete and the community will be regularly advised on progress. Public meetings will be arranged as required.

Further information on the Neighbourhood Plan can be obtained from Councillors Steve Lee (email: [steve@srleebuilder.co.uk](mailto:steve@srleebuilder.co.uk)) or Richard Woolgrove (email: [richardwoolgrove@icloud.com](mailto:richardwoolgrove@icloud.com)).

The next regular meeting of the Parish Council will take place at **7:30 pm on Wednesday 10th January 2018** in the Coronation Hall. Members of the public are very welcome to attend.

I would like to extend my very grateful thanks to all the lovely people who have donated items, provided their time, and in any other way helped to make it a huge success. These events take a lot of organising, and I couldn't do it without all the help in the run-up to the big day, and the people who show up and give their time to run stalls etc. And finally, a big thank you to all those of you who turned up and spent lots of money - a final total raised will appear here in the next edition. My very best wishes - Sandra Apps

## **WILBY CEVC PRIMARY SCHOOL NEWS**

### **Cross curricular learning-'Going for Green'**

In October the whole school travelled to Ringsfield Hall where they enjoyed a whole variety of activities which focussed on learning about the environment IN the environment. Our 'Environment evening' in October was a wonderful final celebration of the music, art, dance and the spoken word derived from our 'Going for green' topic.

### **Music, Drama and the Arts**

Our newly formed Arts Award Club is well attended by enthusiastic children who are working towards gaining certificates to celebrate their achievement. All of our children from Pre-School to Year 6 have been taking part in a variety of dance workshops. The sessions, which were led by the West End In Schools Dance Company, were all focused on the environment and helped the children to explore the environmental topic focus through the medium of dance. To celebrate Inter-faith week 2017 pupils of all ages were challenged to produce the art work for a school calendar focussing on theme of 'Light, life and love'. Calendars sold will raise money to support multi-faith learning opportunities for Wilby pupils. Our Anti-Bullying week theme in November will be a celebration of diversity both in our own school and across Britain.

### **Sporting success**

Following the appointment of our own Sports Lead –Mr Isaac Chapman– participation in additional sport activities across the school has soared! All of our before school, lunch-time and after school clubs are now offered free including: Dodgeball, Football, High Fives Netball, Gymnastics and many more and the extra training is paying off—our Girls Football Team won Bronze in the Inter-schools tournament in October! Well done girls!

### **Church School links**

The school enjoyed a brilliant 'Experience your Church' day at St Mary's Church in Wilby. The children were engaged in variety of hands on activities and learnt lots. Year 4, 5 and 6 will be visited by the Discovery Centre at Our Harvest Festival in October was well attended by parents and church/community members and all are welcome again to join us in church for our Remembrance service 10th of November and our Carol Service on December 15th.

### **Additional Christmas events**

This term Wren Class will be putting on a performance of 'Ralph the reindeer' on December 13<sup>th</sup>. Everyone is welcome to come to the performance at 6pm in the school hall. On Monday 18<sup>th</sup> December everyone is welcome to join us for a Christmas Music Afternoon at 2pm-4pm. ## **Autumn Supper Report**

This years Autumn Supper to raise funds for St Mary's Church, Wilby was held at the Coronation Hall at the end of October. It was a lovely evening with 60 people attending, including many new residents, which gave everyone a good opportunity to meet up and socialise in what is very pleasant surroundings with friendly bar staff. The ladies who cook decided to ring the changes this year and an old family recipe was provided by Alex Gwyn, which was originally her Greek Grandmother's. Moussaka was made following this recipe and served with a traditional Greek salad and French bread. A vegetarian option completed the first course, followed by a large selection of homemade desserts, coffee and mints.

The feedback has been very positive regarding the whole evening and just over £900 was raised, along with £250 from the auction of the beautiful watercolour painting of Wilby Church which had kindly been donated. Thanks to all who came and supported the event, and to everyone who helped in anyway, whether it was by donating a raffle prize, providing the delicious food or helping get the hall ready, clearing up etc.

We hope to see everyone again at the next event.
