### **Keeping up-to-date on Covid-19 across Suffolk**

Mid Suffolk District Council is part of the Suffolk Resilience Forum – working with our neighbouring authorities, emergency services, public health and our NHS colleagues to protect our residents and communities. We are working together to share information and advice across our communications channels – including our regular councillor updates, our website and social media channels.

To help you stay abreast of the situation across the county, regular [Suffolk Coronawatch Bulletins](#) are being produced to give a snapshot of the current Covid-19 situation in Suffolk - along with updates on the work being carried out as part of Suffolk's Local Outbreak Control Plan. You can find the bulletins through existing updates for councillors, or via the Suffolk County Council website.

### **Home, But Not Alone Phonenumber goes live again**

The Home, But Not Alone free phonenumber, which supports vulnerable people in our communities who may be struggling with the impact of Coronavirus, is up and running again in light of this week's lockdown announcement.

The phonenumber helped thousands of people and families across Suffolk, who often didn't have a network of family or friends to call upon, to access emergency support such as food and medicine deliveries and befriending schemes during lockdown earlier this year.

The telephone number is freephone **0800 876 6926** and will be staffed from 9am to 5pm Monday to Friday.

The Home, But Not Alone phonenumber complements The Suffolk Advice and Support Service phonenumber (0800 068 3131) which helps those with debt, benefits employment or housing worries.
